

Research work, grants, publications Journals

I. Dr. C R Saleena Prameela – 4 Research publications

1. Relationship between Insulin Resistance and Lipoprotein Metabolising Enzyme in Rspnse to Fatty meal in Uncomplicated Type 2 Diabetes Mellitus

Journal – International Journal of Medical Sciences & Current Research (IJMSCR)

2. Relationship of Inflammatory Markers with Metabolic and Anthropometric variables in Obese Individuals

Journal – International Journal of Recent Trends in Science & Technology

3. Relationship between Serum Transaminases and Serum Neopterin in Type 2 Diabetes Mellitus with and without Complications

Journal – International Journal of Medical & Health Sciences

4. Establishing Reference Intervals for Lipid Profilr in Healthy Adult Populationof Ambalappuzha

North Grama panchayat, Alappuzha Kerala

Journal – International Journal of Scientific Research

II. Dr. Sindhu P S

1. Antithyroid Peroxidase Antibody Prevalence in Reproductive Age Group females – A Study from

Central Kerala, India

Journal – Journal of Evidence Based Medicine in Healthcare

2. Reliable Markers of Iron in Chronic Renal Insufficiency- A Study from North Kerala India

Journal – International Journal of Advance Research

3. Knowledge and attitude of people above 18 years regarding COVID – 19 vaccination in a rural

area of Kerala

Journal – International Journal of Community Medicine and Public Health

III. Dr. Deepti G N

1. Study On Somatic DNA Damages In Hypertensive Young Adults And Its Correlation With Biochemical And Demographic Parameter

Journal – International Journal of Scientific Research

2. Oxidised LDL Cholesterol (Ox-LDL-C) and Ox-LDL-C/HDL Cholesterol (HDL-C) Ratio in Acute Coronary Syndrome Patients versus Chronic Coronary Artery Disease Patients on Statin Treatment.

Journal – Journal of Clinical and Diagnostic Research

3. Gestational diabetes –Does it influence the thyroid hormone levels of the foetus in utero?

Journal – International Journal of Clinical Biochemistry and Research

4. CoExisting hypothyroidism – Does it aggravate PCOS.

Journal – International Journal of Clinical Biochemistry and Research

5. A Comparitive study of electrolyte imbalances in controlled and uncontrolled diabetes mellitus

Journal – International Journal of Clinical Biochemisry and Research

6. Study on Microalbuminuria in Apparently Normal Postmenopausal women

Journal – Asian Journal of Pharmaceutical and Clinical Research

7. Microalbuminuria – A risk factor for cardiovascular disease in Diabetic Postmenopausal women

Journal – Asian Journal of Pharmaceutical and Clinical Research
